Mélanie TRIENBACH is a Counsel in the Real Estate and Construction department. She has more than 18 years of experience in public law and public procurement. She joined the firm in 2013 after having completed her PhD in Public Law from the University of Strasbourg and has since established herself as a distinguished expert in her field.

Mélanie is specialised in administrative law and environmental law. She advises and assists clients in their procedures relating to administrative and environmental law (permits, decontamination, etc.), more specifically concerning public procurement, zoning and urban planning.

In addition to her legal practice, she regularly holds conferences on environmental law and operating permits at the House of Training, and on public procurement at IFE Luxembourg.
