KLEYR GRASSO unveils new Visual Identity

KLEYR GRASSO is thrilled to announce the launch of its new visual identity, featuring a refreshed logo and a redesigned website aimed at enhancing user experience.

Developed in collaboration with the Piranha agency, the rebranding initiative introduces vibrant and dynamic colors that embody the innovative and ambitious spirit of its teams, while also exuding confidence, loyalty, and expertise.

This bold and deliberate evolution, while remaining true to the firm's DNA, marks a significant milestone in its history, coinciding with the celebration of 30 years of unwavering presence in Luxembourg and a renowned clientele both nationally and internationally. It underscores the firm's commitment to supporting the growth and evolution of its services to meet the evolving needs of clients and the complex challenges of the legal landscape.

Since its inception, KLEYR GRASSO has maintained a robust and stable local presence, quietly but consistently excelling in its key areas of expertise. As a boutique firm, it has fostered a familial atmosphere and close relationships with clients. Today, boasting nearly 100 people, including 60 independent, multilingual lawyers from diverse backgrounds and cultures, all united by a shared passion for law.

Symbolizing reliability, connectivity, and strength, akin to a bridge, the new logo subtly incorporates the underscore (_) symbol.
