Strategic Growth & Expertise Expansion

KLEYR GRASSO continues to strengthen its expertise in investment funds, private equity, and ESG with the addition of Lisa Klemann as Counsel. This strategic move enhances the firm's finance practice and reaffirms its commitment to providing innovative legal solutions in a dynamic market.

Lisa brings over a decade of experience in fund structuring, formation, and regulatory compliance, with a strong track record in private equity, institutional investment, and fund financing. Admitted to the Luxembourg Bar in 2014, she has worked at top-tier international law firms, most recently as Counsel at a prestigious global firm.

Additionally, her expertise in ESG and sustainable finance — bolstered by certifications from the Yale School of Management and the CFA Institute—positions us at the forefront of evolving regulatory and investment trends.

"Lisa's arrival marks a further step in our firm's strategic growth. Her expertise in investment funds and ESG strengthens our ability to provide innovative legal solutions in a rapidly changing financial landscape. We are excited to welcome her to the firm and look forward to the added value she will provide to our clients." – Marc KLEYR, Partner in the Corporate and Finance Litigation department.

Lisa shares her enthusiasm for this new professional chapter:

"I am thrilled to join KLEYR GRASSO at such a dynamic moment in time. The firm's vision for growth and innovation in its finance-related activity perfectly fits my passion and expertise.
