Chambers Europe - 2015 Edition

In its 2015 Edition, Chambers Europe is again ranking our firm in the top leading firms. We are ranked in the 1st Tier in Dispute Resolution and in Employment with two lawyers also individually ranked in Tier 1.

Dispute Resolution

Within Dispute Resolution, we are now ranked among the **top 4** law firms (tier one) in the Luxembourg legal market.

"What the team is known for: Widely acknowledged to be at its strongest in dispute resolution, where it enjoys a formidable reputation for its deep bench of dedicated litigators. Handles an impressive volume of cases, including banking and shareholder disputes, insolvency, employment and real estate. Also highly active in domestic and international commercial arbitrations."

Strengths (Quotes mainly from clients)

"Very responsive - what I particularly appreciate is that the team is open to new strategies in litigation."

"Just tremendous - one of my favourite law firms."

Notable practitioners

*"**Marc Kleyr** manages the firm and remains highly active in corporate and commercial litigation such as shareholder disputes and restructuring and insolvency. "He's very precise, trustworthy and reliable, and we feel very comfortable with him," said one client."*

*"Sources say **Donata Grasso** "is very thorough and has a great legal mind and judgement in litigation." She focuses on corporate and banking litigation."*

*"Co-founding partner **Rosario Grasso** is well known for his expertise in white-collar crime cases. He is also adept at insurance litigation and criminal law."*

*"**Pascal Sassel** is "pragmatic, proactive and persuasive - all the qualities you expect from a litigation lawyer," sources say. His practice covers corporate, finance and insolvency disputes."*

Employment

Within Employment, we are now ranked in the Tier 1 among the **top 4** law firms.

"What the team is known for: Outstanding labour law practice providing high-level advice to domestic and foreign clients on a wide range of employment matters, including restructuring, the transfer of employees and terminations. One of the largest employment teams in the Luxembourg market."

Strengths (Quotes mainly from clients)

"A strong labour law department."

Notable practitioners

*"Sources describe department head **Christian Jungers** as "very good and extremely responsive." He regularly advises Microsoft/Skype on employment issues, most recently representing it in litigation regarding stock options."*

Banking & Finance

In Banking & Finance, our firm is ranked among the **top 12** law firms in the Luxembourg legal market.

"What the team is known for: Long-standing experience in the market, acting for large corporate clients on their various transactions including project and real estate financings as well as regulatory issues. Also noted for its restructuring and insolvency expertise, where it is supported by the firm's leading litigation team."

Strengths (Quotes mainly from clients)

"Very responsive, hard-working, innovative and responsive."

Notable practitioners

"Patrick Chantrain co-heads the corporate and finance practice and handles a wide range of transactions. "He's really responsive, very creative and a very good guy," says one interviewee."

Real Estate

Real Estate – our firm continues to be ranked in the **top 8** law firms in the Luxembourg legal market.

"What the team is known for: Well-regarded Luxembourg firm advising real estate investors on the acquisition and disposal of property, in addition to project development and construction matters. Also covers lease and rent agreements as well as real estate and construction-related litigation."

Strengths (Quotes mainly from clients)

"We appreciate the firm's availability, flexibility and quick support."

Notable practitioners

"François Collot is particularly well recognised for construction work. Recently, he has been involved in a number of significant Luxembourg development projects, including advising Steinfort Proparco on the construction of its new headquarters."

Corporate/Commercial

In Corporate/Commercial, our firm is ranked in the **top 11** law firms in the Luxembourg legal market.

"What the team is known for: Expanding team with expertise in domestic and cross-border M&A, joint ventures and restructurings. Visible representing clients in corporate litigation and shareholder disputes, supported by the firm's successful disputes practice. Clients include financial institutions and private equity houses."

Strengths (Quotes mainly from clients)

"Very responsive lawyers who are highly skilled and dedicated."

"The team has the business expertise to handle complex transactions and has adapted to our company culture very well."
